illumina HOTEL - REAL TIME ENERGY MONITORING

illumina is a innovative web platform for Real-Time Measurement and Verification of energy saving performance according to standard : **ASHRAE - IPMVP - VDE - IEEE**
Electricity consumption monitoring example and application of energy saving system Inteligens

CONTRACTUAL POWER : 168 kW

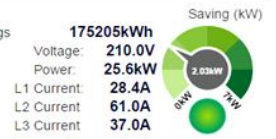

SECTION 1 Conditioning

SECTION 2 Aux Terrazzo

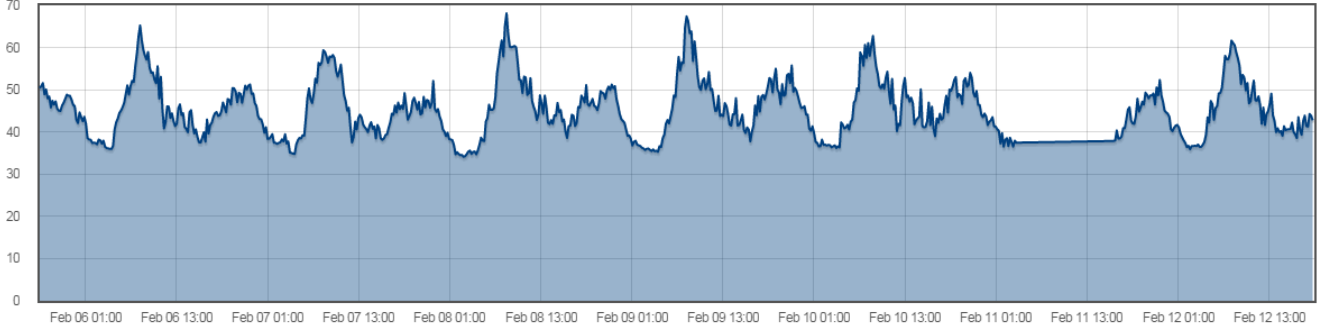

SECTION 3 Light and Plugs

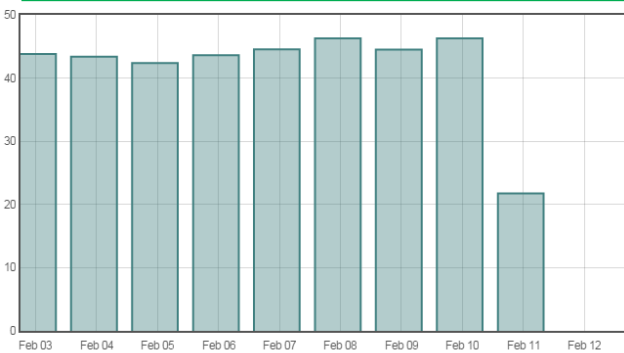

SECTION 4 e-Chitken

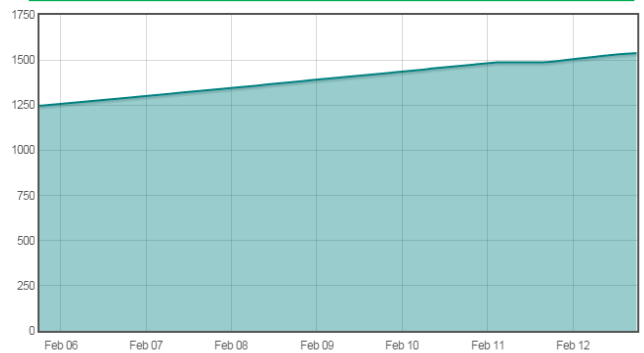

Three Phase Power kW

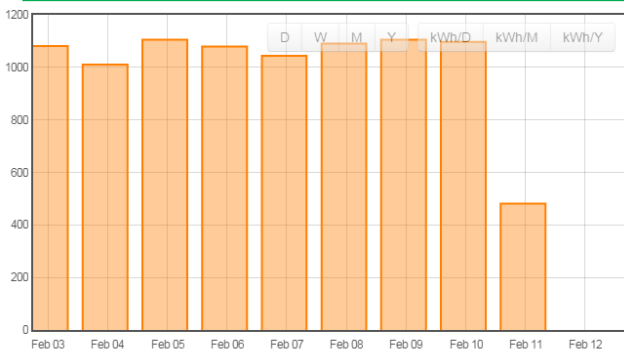

Daily/Month/Year Energy Saving (kWh)

Total energy saving (kWh)

Daily/Month/Year Energy Consumption (kWh)

Total Power Consumption Vs Power optimized under Inteligens (kW)
